Statement from Russel G. Allen, Jr. Under 37 C.F.R. § 1.48(a)(1)
for Application No. 10/699,713

I believe that I should be added as an inventor to Application No. 10/699,713. This error in inventorship occurred without deceptive intent on my part. After I learned of the filing of this application, I advised the Assignee, Airgas Dry Ice, that I was a joint inventor with James R. Becker. After much discussion, an agreement was signed between Airgas Dry Ice and me, executed on March 26, 2004. Thereafter, as I understand, the matter was turned over to a new patent attorney, Allan Ratner, Esq., of RatnerPrestia, P.O. Box 980, Valley Forge, Pennsylvania 19482-0980. As I understand, Mr. Ratner did not prepare or file this application. As I further understand, Mr. Ratner received a copy of this application and arranged to have the representation of the application transferred to him, and that he fully studied the matter and the inventorship.

As I further understand, Mr. Ratner contacted my general attorney, Scott V. Allen, Esquire, on July 6, 2004, and stated that in his opinion, I am joint inventor of Application No. 10/699,713, and that he is preparing the necessary papers to add me as a not named inventor.

Respectfully submitted,

Russel G. Allen, Jr.
